Visit us at südback 2026

südback 2026 opens its doors from October 24 to 27 in Stuttgart, and we will be there. As a meeting point for professionals from bakery, confectionery, and gastronomy, the fair offers the ideal platform for innovations, exchange, and new ideas.

Take the chance to meet us in person, experience our products live, and talk to us about the latest developments in the industry.

We look forward to your visit!
